Figure legend: Sample — △ Unweighted, ○ Entropy Balance, □ Propensity Score

Variables (top to bottom):
- Age 11
- Age 8
- Age 9
- School Disadvantage (1. Tertile)
- School Disadvantage (3. Tertile)
- Other Den.
- Christian Den.
- % Non-Western (3. Tertile)
- Parental Educ. (high)
- % Non-Western (2. Tertile)
- Parental Educ. (lowest)
- Parental Educ. (high) * Prior performance (top)
- Prior performance (bottom)
- Prior performance (top)
- Male * Prior performance (bottom)
- Parental Educ. (lowest) * Prior performance (bottom)
- Female * Parental Educ. (lowest)
- Parental Educ. (high) * Prior performance (bottom)
- Male * Parental Educ. (high) * Prior performance (bottom)
- Male * Parental Educ. (lowest)
- Female * Parental Educ. (lowest) * Prior performance (bottom)
- Female * Parental Educ. (high) * Prior performance (top)
- Male * Parental Educ. (high) * Prior performance (top)
- Parental Educ. (low)
- Male * Prior performance (top)
- Female * Prior performance (top)
- Male * Parental Educ. (lowest) * Prior performance (middle)
- Parental Educ. (lowest) * Prior performance (middle)
- Parental Educ. (low) * Prior performance (middle)
- Age 10
- Public Den.
- Female * Prior performance (bottom)
- Female * Parental Educ. (low) * Prior performance (middle)
- Male * Parental Educ. (lowest) * Prior performance (bottom)
- Male * Parental Educ. (low)
- Female * Parental Educ. (low)
- Female * Parental Educ. (high)
- Parental Educ. (low) * Prior performance (top)
- Male * Parental Educ. (high) * Prior performance (middle)
- Parental Educ. (lowest) * Prior performance (top)
- Female * Parental Educ. (lowest) * Prior performance (top)
- Male * Parental Educ. (low) * Prior performance (top)
- Parental Educ. (high) * Prior performance (middle)
- Male * Parental Educ. (high)
- Male * Parental Educ. (low) * Prior performance (middle)
- Female * Parental Educ. (high) * Prior performance (bottom)
- Female * Parental Educ. (lowest) * Prior performance (middle)
- Male * Parental Educ. (low) * Prior performance (bottom)
- Parental Educ. (low) * Prior performance (bottom)
- Female * Parental Educ. (low) * Prior performance (top)
- Male * Prior performance (middle)
- Male * Parental Educ. (lowest) * Prior performance (top)
- School Disadvantage (2. Tertile)
- % Non-Western (1. Tertile)
- Female * Prior performance (middle)
- Prior performance (middle)
- Female * Parental Educ. (low) * Prior performance (bottom)
- Female * Parental Educ. (high) * Prior performance (middle)
- Female

X-axis: Absolute Standardized Mean Differences (0.0, 0.1, 0.2, 0.3)
